

## Learning Tools for **Skill-Building Fun**

The right tools for

**SOCIAL/EMOTIONAL DEVELOPMENT**

*(feeling, sharing, interrelating)*

Look for these characteristics.

- Supports calming or soothing
- Incorporates appropriate competition
- Encourages identification and/or expression of feelings
- Introduces a new situation a little at a time
- Allows for observation before joining

**Costumes by Aeromax** offer many choices for kids to pretend-play real-life jobs, imaginary roles and more. Kids love to explore the adult world and its emotions through make-believe. These costumes are easy to put on and take off.
